BEYOND THE THRESHOLD

**Pomfritt!**

What  
if

A  
dream  
21

It's hard  
to explain...  
I think I  
was having  
that strange  
dream.

A  
dream?

S...  
Sorry!

These creatures called "Egi" were attacking Japan.

Everyone was killed in seconds...  
We took refuge in a department store...

That's

You!  
It's  
nearly  
finished!

What?  
Is it  
going  
okay?

Ah, yeah,

told

about  
it...

The story begins with  
the first meeting. 23,

can talk...

He  
eventually discovers  
that 23  
came into  
the human  
world to  
surround  
everyone...

Their friendship grows  
stronger and  
stronger,  
but...

Yet their relationship remains unshakable

Even after the destruction of the planet

After

Was  
just a  
dream?

CHAPTER 66  
A DAY WITHOUT END

Himes, and still shows promise of becoming a great writer!

Yeah, I've heard that too.

Fujita's novel has been selected for Kodansha's Thriller Novel Prize!

They're in the same college.

And right now, they're swimming in a sea of happiness.

I'm anxious.

Every day is a day of bliss.

From  
the  
bottom  
of  
my  
heart

Perplexing  
about that  
again ...

100%

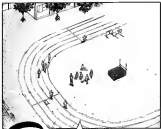

*Shimazaki  
Funiki!*

*Finally!  
He's  
finally  
here!*

Hey you  
Clayton  
and

Can  
make  
you do  
three  
more  
laps!

...but humans multiplied too much.  
They began to destroy the  
environment and threaten the  
ecosystem, like cancer cells.

It's therefore logical  
that nature used humanity  
as a threat and attempts  
to eliminate it.

The  
next  
step  
in  
evolution

Will probably  
be damaging  
to humanity's  
ecosphere.

But  
could it  
really  
happen?
